

Enjoy a new generation of flexibility and power with the TeeJet 854 Sprayer Control. This innovative new product combines the simple operation and programming of the proven TeeJet line with features not available until now in spray control systems.

### TeeJet 854 Sprayer Control delivers features you need

- Rugged construction, sealed switches and non-volatile memory mean dependability that will not let you down.
- Single-connection wiring system provides durability that is clutter-free.
- Front panel has clear instructions for easy operation.
- Saves summary reports on up to 10 jobs.
- Auto-Master can be set to automatically switch boom sections on and off at predetermined speeds.
- Auto tank fill allows the console to control tank-filling operations.
- Dual boom capability means wider ranges of speed and application rate.
- Smart Sensing automatically selects between pressure or flow sensors, choosing the best sensor for that application.
- Communications port for printer, PC, and GPS connections.
